Registration for Session 2 ** February 7th - June 11th **

Priority registration (for current students) will open for our 16-week winter/spring session on December 13th! If you are a current Cobra family, please be sure to enroll before we open registration to the public on January 5th (we can not guarantee a place in class after January 5th). A \$50 deposit is required to save your place in Session 2. Please enroll in the same class you are currently in, unless informed differently by your child's instructor. Classes are taught progressively and will become more challenging as the year develops. <https://app.iclasspro.com/parentportal/cobragymnastics>

Water Bottles, Masks and Hair Ties!

Please continue to wear your own masks and check that your child's mask is **well fitted** to endure a full gymnastics class. We are moving through our disposable supplies too quickly. Please bring (and take home) your reusable spill proof water bottles! We have new styles and colors for sale at the gym!

Skill Testing & End of Session Shows

We have continued to skill test and will be sending home copies of your child's skill sheets and awards during our show weeks in January/February. Stay tuned for the Show Week schedule as we will be staggering shows to avoid congestion in the gym.

Holiday Closures

Cobra will be closed for our holiday break beginning **Wednesday December 22nd-Tuesday January 4th**. We will have no "in person" desk hours during this time, but will be checking emails and phone messages. Thank you for your patience with responses as our staff will be celebrating with family over the break. cobravn@me.com

Winter Weather Policy

Please note that in the event of inclement weather, morning classes will be cancelled by 8:00am, evening classes will be cancelled by 1:00pm. Please check Facebook or our phone message for cancellation updates. We will send group class emails by the scheduled times. Please share this policy with all those who help transport your children to our classes to avoid unnecessary phone calls.
