Show Week: May 30th-June 3rd - for Pre-school only!!

We are changing our traditions and only hosting shows for the pre-school classes this session. Because we are ending the session a week earlier, we understand there will be a lot of conflicts with end of school activities. We are also hosting the Cobra show for all the recreation students and hope that everyone can make it! We will honor the students the last day of classes with awards, certificate and/or trophies (for student who have attended the full year Sept-June), but we will not bring parents into the gym. We will have a photo area for your posts and memories! The mezzanine will be open for viewing that last week of classes.

Team placement 2023-2024

We will be hosting a team informational meeting for NEW athletes that are curious about our team. This will be May 27th during open gym hours, 1:00-2:15pm. We are trying to host an "in-house" team this year so we will have two tiers of beginner team athletes for the 2022-2024 season.

Thank you! Coach Shelby and all the Cobra staff!!
